Education

Lokmanya Tilak College of Engineering, Navi Mumbai

Dec 2021 – May 2025

Bachelor of Science in Computer Science (Artificial intelligence and Machine learning)

7.5 CGPA

Jai Hind Junior College, Dhule | 12th Grade

Jun 2020 – May 2021

Percentage: 73.56%

K.S.K. New City High School, Dhule | 10th Grade

Jun 2018 – May 2019

Percentage: 73.40%

Projects

ArtiQ (Text to image generation App) | Flutter, Dart

- Built a text-to-image mobile app using Flutter that allows users to generate AI images from text prompts.
- Integrated the Hugging Face Inference API to utilize the Stable Diffusion model for high-quality image generation.
- Designed a clean and responsive UI for user prompt input and dynamic image rendering.

SkyCast (Weather App) | Flutter, Dart

- Designed a clean, responsive UI for real-time weather updates.
- Integrated OpenWeatherMap API to display accurate forecasts.
- Implemented dynamic city selection and integrated live API data rendering based on user input.

Cartly (E-Commerce Ap) | Flutter, Dart

- Developed a tech shopping mobile app using Flutter that allows users to browse, add to cart, and purchase tech products.
- Implemented state management to handle cart functionality, including adding/removing products.
- Ensured smooth navigation and optimized performance for a seamless user experience across various devices.

Technical Skills

Languages: Dart, Python, Go, JavaScript, SQLite

Frameworks & Libraries: Flutter, TensorFlow, Flask, Scikit-learn, Firebase

Version Control: Git, GitHub

Developer Tools: Visual Studio Code, Android Studio

Extracurricular

- Participated in H2O and Amazon Machine Learning Hackathons.
- Active member of Google Developer Group (GDG) community.

Certification

Complete A.I. & Machine Learning, Data Science Bootcamp

- Gained comprehensive knowledge in AI, Machine Learning, and Data Science.

Flutter & Dart - The Complete Guide

- Acquired foundational knowledge in Flutter and Dart for mobile app development.

Leadership & Soft Skills

- Strong problem-solving and communication skills.
- Quick learner and adaptable to dynamic environments.
- Proven ability to lead teams and deliver results collaboratively.
